HIGHWAYMEN LIVE

A Musical Tribute

“What great performers. We were really surprised how well they performed and looked like the real thing. Spine-tingling to say the least. Hope to see them again. All in all a very entertaining show!”

Harrison from Chicago, IL

“Waylon simply left us both spellbound. It was as if we were seeing the real thing. He really must have studied his stuff. We are big Waylon fans, and he could have fooled us both. We have been at the theatre before, but that show was a really pleasant surprise. Please try to have them back. There are so many people who I'm sure want to see that act. Thank you!”

Nathan and Jodi Spencer from Atlanta, GA

“We think we have seen as good a show as Nashville has to offer. I don't know where you "dug" Waylon up, but I'm sure it was him in the flesh that we saw at the show. We could not believe it. Willie and Johnny Cash were also great! These guys are truly a remarkable act and should definitely be on the big stage. Just great!”

Gordon and Jennifer from Nashville, TN
